Antidote never fails to cure the most obstinate cases, when taken as directed. It cures immediately. In no case will the patient have more than one chill after takpatient have more than one chill after taking the first dose, and in the majority of cases not even that.

It accomplishes the work by destroying the cause of disease, which no other remedy pretends to do.

It contains no arsenic or poisonous ingredients of any kind, and may be administered with perfect safety to an infant. mr7 dlm&w&Swoowlm

"Search for and hold fast that which is good," which is an old saying, and truly verified in Dr. McLean's Medicines-the celebrated Strengthening Cordial and Blood Purifier, and McLean's Volcanic Oil Liniment. There have never been remedies that have become so deservedly popular in so short a time as those; they can now be found in the closets of nearly every family in this city, ready for use when required, because they will act just as is stated in the directions.
